

## PRESS RELEASE

FOR IMMEDIATE RELEASE

### **2W Technologies, INC. Achieves Microsoft Solutions Partner Recognition for Azure Virtual Desktop**

**Pewaukee, WI – August 5, 2024** – 2W Technologies, INC., a leading provider of strategic technology solutions, is proud to announce that it has achieved the prestigious Microsoft Solutions Partner specialization for Azure Virtual Desktop. This recognition is a testament to 2W Technologies' commitment to delivering exceptional Azure Virtual Desktop solutions that empower businesses to harness the full potential of their data.

As a Microsoft Cloud Solutions Provider, 2W Technologies has demonstrated excellence in implementing and managing Azure, Business Intelligence, and Modern Workplace solutions. Adding this specialization to our existing designations for Data & AI, Infrastructure, Modern Work, and Security highlights our comprehensive expertise across the Microsoft ecosystem.

"Our team is excited to receive the Solutions Partner specialization for Azure Virtual Desktop. They worked extremely hard to achieve this," said Mark Jamieson, President/CEO of 2W Technologies. "This accomplishment mirrors our unwavering quest for knowledge and our commitment to supporting our clients in an increasingly data-centric environment. We pledge to deliver inventive solutions that surpass our clients' expectations."

2W Technologies' success in achieving this specialization is a direct result of our deep knowledge, extensive experience, and proven success in deploying, optimizing, and securing virtual desktop infrastructure on Azure with Microsoft Azure Virtual Desktop.

As a distinguished Epicor Platinum Elite partner, 2W Technologies also excels in deploying and consulting Epicor Kinetic ERP systems, further enhancing our ability to provide end-to-end business solutions.
