FOR IMMEDIATE RELEASE

2W Technologies, INC. Secures Epicor Global Partner of the Year Honor for Second Year Running

Pewaukee, WI - November 05, 2025 - 2W Technologies, INC., a premier technology service provider specializing in manufacturing and distribution solutions, proudly announces its recognition as the 2025 Epicor Global Partner of the Year, for the second consecutive year. Following its 2024 win, this repeat honor underscores 2W Tech's unwavering commitment to delivering exceptional Epicor ERP solutions and transformative technology services to clients worldwide. As one of North America's largest Epicor partners, with over 30 years of experience, 2W Tech has consistently demonstrated expertise in implementing and supporting Epicor systems. Their commitment to innovation and excellence in service has made them a trusted partner for businesses looking to optimize their operations and achieve strategic goals.

"Being named Epicor Global Partner of the Year for the second consecutive year is an incredible honor and a powerful validation of the work our team puts in every single day," stated Mark Jamieson, President and CEO, 2W Tech. "At 2W Tech, we have built our reputation on delivering transformative ERP solutions that help manufacturers and distributors thrive in a rapidly evolving landscape. This back-to-back recognition from Epicor not only reflects our technical expertise and client-first approach, it also reinforces the strength of our partnership and shared commitment to innovation. We are proud to be part of the Epicor ecosystem and deeply grateful for the trust our clients place in us to guide their digital transformation journeys. This award energizes us to keep pushing boundaries and delivering even greater value in the years ahead."

The Global Partner of the Year award represents the pinnacle of achievement within Epicor's Partner Program, recognizing one partner worldwide who has demonstrated unparalleled excellence in customer satisfaction, revenue growth, solution innovation, and strategic market expansion.

"Congratulations to 2W Tech on earning Global Partner of the Year for the second year in a row, an extraordinary accomplishment that reflects their exceptional commitment to excellence across every dimension of partnership," said Brenda Nobleza, Vice President, Americas Channel, Epicor. "What sets 2W Tech apart is their relentless drive to innovate alongside us, they were among the first to market with purpose-built AI solutions like Resolve IQ, demonstrating their forward-thinking approach to solving real business challenges. Beyond technology, they have made substantial investments in their people, bringing 25 new team members dedicated to Epicor sales and service delivery to ensure customers receive world-class support. Most importantly, 2W Tech has mastered the art of meeting customers exactly where they are, delivering personalized solutions that drive transformative results. This customer-first philosophy, combined with their strategic growth initiatives and year-over-year momentum, exemplifies the kind of partnership that creates lasting competitive advantages for the businesses we serve together."
