FOR IMMEDIATE RELEASE

2W Technologies, INC. Becomes First Reseller Partner of Epicor for Prophet 21

Pewaukee, WI – October 8, 2024 – 2W Technologies, INC. is proud to announce its official status as the first reselling partner of Epicor for Prophet 21 (P21) as of October 1, 2024. P21 is an advanced Enterprise Resource Planning (ERP) system designed specifically for the distribution industry. This significant partnership underscores 2W Tech's commitment to delivering advanced ERP solutions tailored for the unique needs of its clients.

2W Tech has excelled in their 30+ years as a successful partner in the Epicor Channel Ecosystem. They have a proven track record and employs a multifaceted approach to expanding their business, enabling them to support customer needs both independently and collaboratively. Making them Epicor's choice for becoming the first reselling partner of P21.

As an Epicor Platinum Elite Partner, 2W Tech will leverage its expertise in Epicor ERP systems to provide comprehensive support and services for P21 users. The partnership enables 2W Tech to offer enhanced implementation, customization, and consulting services, ensuring distributors can optimize their operations efficiently.

"Becoming the first reseller partner for Prophet 21 is a transformative opportunity for 2W Tech. It allows us to expand our industry presence and leverage our deep expertise in ERP solutions to deliver unparalleled value to our clients," said Mark Jamieson, President, and CEO of 2W Technologies. "This partnership enhances our ability to provide cutting-edge distribution solutions, enabling businesses to streamline operations, drive efficiency, and adapt to the evolving market landscape. We are thrilled to lead the way in this new venture, reinforcing our commitment to innovation and excellence in meeting the needs of our customers."

"Epicor is excited to expand our Channel ecosystem into the Distribution vertical. By leveraging our successful Manufacturing Channel infrastructure, enablement programs, and onboarding tools, we aim to create a robust network of Distribution Partners to support our P21 business goals and meet our customers' evolving needs. We are pleased to welcome 2W Technologies as our first Reseller in this new venture. As a proven Epicor Channel Partner, 2W prioritizes the needs of our joint customers in all their efforts", said Brenda Nobleza, VP Americas Channel at Epicor.
