FOR IMMEDIATE RELEASE

### 2W Technologies, INC Recognized on CRN's 2020 MSP500 List

**Pewaukee, WI – February 18, 2020** – 2W Technologies, INC today announced that CRN, a brand of The Channel Company has named 2W Technologies, INC to its 2020 Managed Service Provider (MSP) 500 list in the Pioneer 250 category. This popular list identifies North American solution providers that deliver operational efficiencies, IT system improvements, and a higher rate of return on investments for their customers. These accomplished MSPs work tirelessly to guide their customers and create solutions for complex IT issues. The MSP Pioneer 250 is for organizations focused primarily on the SMB market.

Mark Jamieson, President and CEO of 2W Tech shares his thoughts on this recognition. “We have worked hard over the last several years to put together a well-rounded, talented team that can help not only 2W Tech propel to the next level but provide that same commitment to our clients. Every day we strive to find the best solutions on the market and then find ways to make those even better for our clients. Technology evolves at such a fast pace, so we have to be one step-ahead. No company should face the digital transformation alone and 2W Tech is here to help. I am proud of our team and what we have accomplished for our clients and look forward to seeing what we can create in the future.”

“MSPs are the critical bridge for customers looking to assess, implement and migrate their IT and cloud solutions to drive efficiencies, lower costs and secure your environment,” said Bob Skelley, CEO of The Channel Company. “On behalf of our team at The Channel Company, I want to congratulate the accomplished companies on CRN’s 2020 MSP 500 list and thank them for their commitment to finding innovative solutions that move the IT channel forward.” The MSP500 list will be featured in the February 2020 issue of CRN and online at [www.crn.com/msp500](http://www.crn.com/msp500).
