2W Technologies, INC Recognized on CRN's 2026 Solution Provider List

Pewaukee, Wisconsin — July 1, 2026 — 2W Technologies, Inc. announced today that CRN, a brand of The Channel Company, has named 2W Tech to its Solution Provider 500 list for 2026. CRN's annual Solution Provider 500 list recognizes North America's largest solution providers by revenue and serves as a prominent benchmark of leading IT services companies. The solution providers featured on this list are key influencers driving growth across the IT industry and the global technology channel.

This marks 2W Tech's first appearance on the Solution Provider 500 list, adding to its growing collection of CRN honors. The company is also a seven-time MSP 500 list winner and a two-time Tech Elite 250 list winner.

"Being named to the CRN Solution Provider 500 list with industry leaders such as Accenture, DXC, and IBM is truly inspiring; it reinforces that our commitment to innovation, client success, and continuous growth is making an impact. This is a testament to the dedication and expertise of our entire team. At 2W Tech, we take pride in helping manufacturers and distributors modernize their technology environments and navigate complex challenges with confidence. We are proud to stand among such respected peers and remain focused on delivering solutions that drive measurable results and long-term value for our clients."

"The Solution Provider 500 list highlights those companies generating the highest revenue through leadership in business and service innovation," said Jennifer Follett, Vice President, U.S. Content, Executive Editor at CRN, The Channel Company. "This recognition highlights those organizations that consistently demonstrate agility and sustained growth amid rapidly evolving industry demands and technological change. Congratulations to every company that earned a well-deserved place on this year's Solution Provider 500."

Coverage of the 2026 Solution Provider 500 list will be featured online at [CRN.com/SP500](https://www.crn.com/SP500).
